Parents and Educators? Views

Parents appreciate the educational value and the opportunity for children to reinforce lessons learned. Educators note that the notebook encourages independent thinking and helps children develop their understanding at their own pace.

However, some feedback points to the need for age-specific customization, as materials sometimes feel too simplistic or overly complex for certain age groups. Ongoing development aims to address these concerns by providing tailored versions.

Organizational Impact

For the organization, the notebook serves as a tool to ensure consistent messaging and active engagement. It also facilitates post-convention follow-up, as children can revisit their notes and reflections.
